

To get the lab door code, go to [http://acms.ucsd.edu/ Students, Accounts & Passwords](http://acms.ucsd.edu/Students,Accounts&Passwords), then login.

NEW: You should see a button "Account ce15... Resources" or similar - maybe for na15? Click that and you should see the resources specific to the classes in which you are registered.

I can't test this myself, since I'm not a student, so let me know if this doesn't work.
